

## Our 2021 strategic plan

### Vision

We envision a future when ocular melanoma will be a treatable and manageable disease and where patients in Canada can easily find support and courage after diagnosis

### Mission

- Advocate for early detection of ocular melanoma
- Enable access to early treatment of primary ocular melanoma
- Work towards a consistent approach to treatment of metastatic ocular melanoma
- Integrate best practices from international collaboration
- Support patients who have been diagnosed with primary or metastatic ocular melanoma
- Build a network of support for patients and caregivers

## Our core values

Compassion for Patients and Caregivers

Passion for Promoting Access to Patient Care

Belief in Science

Devotion to Improving Ocular Melanoma Patient Outcomes
