

Melanoma and Skin Cancer Awareness Month

May 2021

WHEREAS it is imperative that communities across Canada be reminded of the importance of sun safety;

AND WHEREAS over-exposure to UV radiation is one of the major causes of melanoma and non-melanoma skin cancers;

AND WHEREAS skin cancer is the most common of all cancers. 1 in 6 Canadian born in the 1990s will get skin cancer in their lifetimes;

AND WHEREAS many people seek sun without taking the advisable precautionary measures and are unaware that any darkening of skin color, including a tan, is indicative of UV damage;

AND WHEREAS skin self-examinations should be performed on a monthly basis because skin cancers are highly treatable when detected early;

AND WHEREAS Save Your Skin Foundation is dedicated to the fight against non-melanoma skin cancers, melanoma and ocular melanoma through nationwide education, advocacy, and awareness initiatives:

THEREFORE, BE IT RESOLVED THAT the Corporation of the Town of Pelham does hereby proclaim May 2021 as Melanoma and Skin Cancer Awareness Month.

DATED AT the Town of Pelham this 6th day of April, 2021.
